[Kris Funn's Cornerstore](#) brings a genre-blurring mix of jazz, hip-hop, blues and rock to the Arts Barn stage for Jazz in June. From Benny Golson to Christian Scott, Funn sets the foundation in bands that span the entire lineage of jazz. As a composer, Kris Funn expands on that foundation to present music as an expression of his experiences becoming a musician.

"[Funn's], big-boned bass playing is Cornerstore's foundation and its lighter fluid. From there, the quartet's sound twists upward like smoke, kindled by crackling drums and snaky electric guitar." - CapitalBop.com
